Simms v. Houser, 3:21-cv-321

To the court,

JUN 07 2021

PER _____

DEPUTY CLERK

Today at 10:30 AM Defendant Timothy Miller had an officer call me to PRC to talk about my Transgender Status in front of regular C.O.'s, counselors (not mine) Deputy wardens, Superintendent, physcs, just to name a few. All except for 2 of these people are actually involved in this process (transgender) and the others are not compelled to patient/client confidentiality, and have a horrible history of exposing people's personal private things. - And so that the whole range of inmates heard.

Then he sent security to my cell (Defendant Sherman) and he started if I wanted to talk to security as well about transgender things.

Then Defendant Miller himself came to my cell and opened my shield (to make it look like a private conversation) and made sure he spoke loud enough for inmates on a different unit could hear.

I just sent an affidavit on this and used the past to predict the future. They are now using my transgender status as a weapon. I am distraught and cannot stop crying. I'm being harassed and victimized all over again. This is what I get for trying to cooperate. Please do something. I refuse to talk to cell staff no. I cannot trust them. My life is ruined- consider this an affidavit.

I even tried to tell Miller to not talk so
loud and he smiled, Shrugged his shoulder and spoke
even louder.
